

Loreto College
Coorparoo

Head of ICT Strategy, Services & Operations

Full-time, Permanent Position

Loreto College Coorparoo is seeking to employ a suitably qualified and experienced Head of ICT Strategy, Services and Operations.

The successful applicant will be required to oversee the program management of the ICT function for the College, including the overall infrastructure and systems, lead the TSS Team in the delivery of customer-focused support and service to ICT users and in collaboration with the Business Manager and Deputy Principal Curriculum and ICT, drive curriculum and business focused ICT strategy and innovation in the College.

Experience/Qualifications:

- At least five year's demonstrated experience in the management of ICT Systems and Networks within a commercial or educational environment
- Extensive experience in the leadership and management of ICT Staff
- Experience with ICT strategic planning and budgeting
- Experience within a school environment is desirable, however not essential
- Significant experience in a similar position which indicates an expertise to fulfil the role
- Tertiary qualifications or equivalent relevant to the position

Applications close Thursday 7 September

Commencement date to be negotiated

Please forward your application including resume and the names and contact details of three referees to:
